❖ **Application Documents**

* We may request additional documents for reviewing requested documents.

* For D-4-1 visa applicants : Geumgang Language Center will not screen soft copies. Applicants must submit the original documents via post.

* The original documents mean the actual original documents with an Apostille or notarization from the Korean embassy on it.

* CAUTION : Geumgang University will not return submitted documents.

* So if you have only 1 original diploma, please make a copy of it and get an Apostille or notarization from the Korean embassy on copied document.

* All requested documents should be submitted within the application period. We strictly follow the schedule for submitting documents, so if you will apply for a D-4-1 visa, your documents should arrive our office within the application period.

Please note that if your documents do not arrive within the application period, your application won't be reviewed.

※ 'Original document' means the actual documents(or notarized documents) issued by the bank, the office or the embassy. Printed copies are not acceptable.

※ If your documents are not in Korean or English your documents must be translated to one of these languages and get notarized by the notary office.

Also, please submit both translated documents and original documents when you apply for the course.

※ Geumgang Language Center may request for additional documents depending on students nationality and situation. (A copy of family relationship certificate, transcript, etc.)

※ Students who have been in Korea for more than 6 months by holding a D-4-1 visa will be automatically registered for national health insurance.

Others who have been in Korea for less than 6 months must have private insurance until they can register for national health insurance. Health insurance proof is required.

❖ Scholarship

- Scholarship covers tuition for one semester.

- Scholars are to participate in our partnership program where they will be partnered up with Korean students; teaching them international languages and creating an environment that is open to variety of languages.
